CARE & INSTRUCTION MANUAL

Product:	Side Wall Awning
Vehicle:	Generic
Part No.	620RTASW250

3) Care Instructions

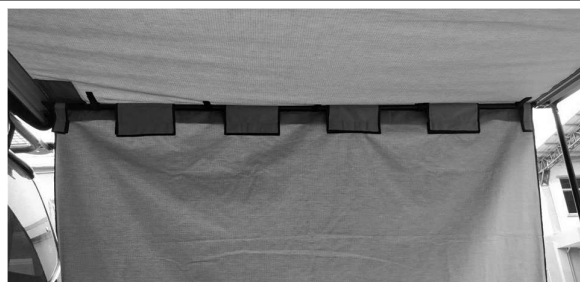

- Awning can be stored wet for short period of time but must be allowed to fully dry before storing for long periods of time to ensure mould/mildew do not form & deteriorate fabric.
- Remove debris & sponge any stains with mild soapy water before storing for long period to prevent staining.

4) Warranty

For product warranty refer to our website www.tjm.com.au.

5) Set Up

- Remove side wall from bag.
- Wrap top of side wall around horizontal poles on awning & attach with velcro tabs on side wall
- Velcro side flaps on awning to side wall.
- Adjust side wall to desired angle & using pegs supplied, secure wall to ground.
